General Circular

To: All Zonal Councils / Domestic Committee.

NOTICE ON TWO DAYS WITHDRAWAL OF SERVICES

In line with the communique issued after the meeting of National Executive Council (NEC) of the Nigeria Labour Congress (NLC) held on Thursday 31st August, 2023 that all affiliates should direct all its members to commence two days' withdrawer of services from Tuesday & Wednesday the 5th & 6th September, 2023.

The directives is imperative to get the needed attention of government and warn it off its new found love of meddling in the internal affairs of unions rather than address the punishing economic circumstances we find ourselves.

We hereby direct all our organs to comply with this directive by ensuring all our members stay off duties for the two days.

Your corporation in this regard will be appreciated.

Thanks.

Yours Faithfully,

Mohammed I. Sheikh
